ELA Press Release

— ELA Container Offshore GmbH will be exhibiting at the ONS 2018 in Stavanger, Norway

From 27th until 30th of August 2018, ELA Container Offshore GmbH will be exhibiting at the ONS 2018, the Offshore Northern Seas. The ONS takes place in Stavanger, Norway.

In hall 5 at booth #5667, ELA Container Offshore will be exhibiting two stacked containers. "We believe that showcasing our product will make our current and future clients have a better understanding of our various solutions.", says Mr. Hans Gatzemeier, Managing Director of ELA Container Offshore.

At the ONS 2018 ELA Container Offshore will be represented by Mr. Hans Gatzemeier, Managing Director, Mr. Niels Albers, Business Development Manager for Northern Europe and Mr. Frank ter Haak, Business Development Manager for the Netherlands & Belgium.

The ONS takes place every two years. "We exhibited in 2016 for the first time where we have established very good contacts and enjoyed very interesting conversations. ONS 2016 proved to be a very successful exhibition for us and we are also sure that ONS 2018 will hold the same success. We are confident that we can meet our existing customers again and also make many new contacts." adds Mr. Hans Gatzemeier.

All interested parties, customers and business partners are very welcome at booth #5667 of ELA Container Offshore and we look forward to interesting conversations!

ELA Container Offshore has already gained diverse experience in the Offshore-Wind and Offshore Oil & Gas Industry. Whether on pontoons, transformer platforms, rigs or supply vessels - ELA Container is the ideal partner, offering tailor-made concepts for all requirements in the form of Living Quarters, Offices, Dining Rooms, Galleys, Laundries, Recreation or Locker Rooms and all types of Carrying Units. ELA Offshore containers are equipped with all the necessary utilities. This guarantees, in combination with all ELA Offshore features, a long service life, functionality and comfort.

The high quality Containers are "Made in Germany" according to German quality standards and possess all necessary certifications such as DNV 2.7-1 / EN 12079-1, DNV 2.7-2, based on SOLAS, IMO FSS Code and MLC as well as CSC and are approved from several IACS-companies. In terms of fire resistance, an A60 insulation provides high safety standards. Every container will be checked before delivery. Depending on customer requirements, ELA Offshore Containers are individually customized, immediately operational and are available at short notice.

The main features of ELA offshore accommodations include:

- Flexibility on demand
- One base type with various accommodation solutions
- Easy handling thanks to standard 20ft High-Cube ISO standard dimensions
- Highest quality standards
